1962 FOREWORD

This is a new year so a new Iris catalog, listing new Iris, new prices, and new bargains to our old friends and looking forward to new friends in 1962. Our rhizomes are first quality and guaranteed true to name. Be sure to order early to avoid the disappointment of having your favorite Iris being sold out.

Effective July 1, all Iris available will be sold for ONE HALF price listed in the catalog. Or you may order early and reserve for the ½ price rate. (The ½ price does not apply to the collection listed on back page). So check your catalog carefully and make out your order on special included order sheet. Add up the total and deduct ONE HALF. PLEASE INCLUDE EXTRA FOR POSTAGE. Money order or check is the safest way to send money. Also mention two or three varieties you would like to receive as bonus. We like to send extra to more than make up for what you pay for postage so be liberal and receive better bonus Iris. DO NOT choose Iris marked with * star for your extra as our stock is limited in those varieties.

No substitution will be made on your regular order unless you request it. Money will be refunded for items sold out.

We are looking forward to hearing from you early and shall do our best to please you.

Thank you.
